The Theatre Department at La Canada High School is a home for storytellers. From classic comedies to modern dramas, the students at LCHS create rich, complex characters to tell thought-provoking stories. Students enrolled in the theatre department explore a wide range of drama theories and techniques in acting, voice, movement, and technical theatre which in turn helps them craft their work into unforgettable performances.

The La Canada Playhouse Foundation is a 501(c)(3) nonprofit created to fundraise for the growing needs of the program and to support the students participating in the Theatre Department. The Foundation looks to maintain our extraordinary collection of repertory sets, scenery, costumes, and props, as well as fully support the production costs for the season of shows every year.

Your donation to the La Canada Playhouse Foundation helps to directly support this program. With your assistance, we can continue to provide our students with the finest theatre education possible! Consider donating today!
